and from the _____ athletic contest on _____ at _____.
(Sport) (Date) (Location)

I certify that I am personally transporting the above named student or have arranged for transportation with an adult (nonstudent) of my choosing for this student.

Name of adult other than parent/guardian _____

The reason for not riding the bus is _____

(Reason must be sufficiently urgent to family needs to justify not riding the bus)

I understand that New Milford High School athletic rules require that students ride the bus to and from all athletic events and a departure from this requirement will release the New Milford Board of Education from all liability for any adverse results that may occur.

NOTE: All students participating in field trips, away games and other official, school-sponsored, group events for which transportation is provided, are expected to travel to the event and return to school together, on school transportation. All participants are to remain under the supervision of the teacher(s), coach (es), other school official(s), or designated chaperone(s) at all times, until they return to school. When school transportation is provided, participating students MUST ride it both ways; parents, chaperones, and others may not drive students to or from the site of the event by private transportation. Exceptions to this rule may be allowed only with advance written permission from the athletic director, who will grant exceptions only for emergencies, extreme hardships, or other unusual, extenuating circumstances.

I agree to release the New Milford Board of Education and its employees and officers from all liability with reference to the above stated transportation. I also understand that if these rules are not followed and I drive my child, or he/she drives themselves, to an athletic contest, he/she will not be allowed to compete.

This form must be on file in the Athletic Office prior to the dismissal of school on the day of the contest.
