WITNESSETH

Whereas, the Union is the exclusive representative of a unit of employees employed by the Board, as hereinafter more fully described in Article I, for purposes of collective bargaining pursuant to relevant provisions of Section 7-469 of the General Statutes, and;

Whereas, pursuant to the relevant provisions of Section 7-470, the Board and the Union have bargained in good faith with respect to wages, hours and other conditions of employment about which either party desired to bargain, and;

The provisions of this Agreement shall apply to full-time employees who work forty (40) hours per week. In the event the Board creates regular bargaining unit positions with a work week of more than twenty (20) hours but less than forty (40) hours, this Agreement shall be reopened with respect to the wages, hours and working conditions for such new positions.

ARTICLE TWO **BOARD'S RIGHTS**

Section 2.01

Except as expressly provided otherwise by the specific terms of this Agreement, the Board, acting through itself or through the Superintendent or his/her designee, has and will continue to retain, whether exercised or not, the sole and unquestioned right, responsibility and prerogative to direct the public school system of the Town of New Milford in all its respects, including but not limited to the operation of the schools, the direction of the professional and non-certified staff, the establishment of reasonable work rules and the power and authority conferred upon the Board by law. The Superintendent, or his/her designee may post a vacation schedule in advance of July 1 of each year and employees will indicate on said schedule the periods during which they wish to take their vacations, respectively. The final vacation schedule is subject to the approval of the Superintendent. The Superintendent also reserves the right to limit the number of employees on vacation at any one time. Where more than the number of Employees permitted to be on vacation

at the same time choose the same vacation period in whole or in part, the Superintendent will resolve the conflict on the basis of her/his determination of the needs of the system and the employee's respective seniority. Normally, no vacation will be approved for the week immediately before graduation, the week immediately before the opening of school and the week immediately after the opening of school.

Section 7.03

No vacation time may be taken without the prior permission of the Superintendent or his/her designee and all requests for vacation must be made no less than ten (10) calendar days in advance with the following exception:

An employee may elect to receive his/her vacation pay prior to his/her scheduled vacation. Requests for vacation pay must be made at least one pay period in advance of the scheduled vacation.

ARTICLE EIGHT

SENIORITY

Section 8.01 - Definition

An employee's seniority is hereby defined as his/her length of continuous service as an employee of the Board in a bargaining unit position measured from his/her most recent date of hire. An employee shall not be entitled to exercise his/her seniority for any purpose prior to the successful completion of his/her probationary period of employment as set forth herein.

Section 8.02 – Probationary Period

An employee shall normally be considered to be a probationary employee during his/her first ninety (90) days worked in a bargaining unit position, during which time he/she shall have no seniority rights and may be terminated by the Board for any reason without recourse to any of the provisions of this Agreement or to the courts, notwithstanding any provision in the Agreement to the contrary. Upon successful completion of his/her probationary period, the employee's seniority shall be counted from his/her most recent date of hire as set forth in Section 8.01 above. The Board shall, however, have the right to extend the probationary period from ninety (90) to one hundred twenty (120) days, with Union agreement, if there are apparent reasons for doing so. In these cases, the Union will not unreasonably withhold its agreement. Pay increases available to new employees after sixty (60) days would go into effect even when the probationary period is extended.

Section 8.03 - Layoff and Recall

- A. In reducing the number of employees in the bargaining unit by layoff the last employee hired within the labor classification should be the first employee laid off from such classification provided that the remaining employees are qualified in the judgment of the Board to perform the work remaining.
- B. Employees who are laid off from employment with the Board will have recall rights for a period immediately following the date of layoff equal to their respective seniority at the time of layoff, up to a maximum of one (1) year following the date of layoff. In recalling employees from layoff, the last employee laid off from the classification wherein the layoff was effected shall be the first employee recalled from layoff, provided that he/she is qualified in the judgment of the Board to perform the work. Employees laid off prior to the successful completion of their respective probationary periods of employment will have no recall rights.

Section 8.04 – Loss of Seniority

For purposes of applying seniority rights, an employee's continuous service shall be broken and he/she shall lose seniority by virtue of any of the following events:

- A. voluntary quit;
- B. discharge in accordance with Article Fifteen Section 15.01;

- . expiration of the employee's recall rights following layoff;
- . retirement;
- E. absence for more than three (3) days without reporting the reason for the absence to the Superintendent, or his/her designee, within the three (3) day period.
- F. failure to return to work when scheduled following an approved leave of absence; or
- G. failure to report for work within five (5) normal work days following delivery of recall notice.

Section 8.05 – Assignment of Overtime

An employee's seniority shall have an effect on the assignment of overtime work (i.e., work which is to be performed beyond normal working hours and has the potential to be paid at the overtime rate pursuant to Article Five, Section 5.02 hereof) only as follows:

- A. The employee last working on the assignment during normal working hours will continue to work on it on overtime, if assigned, irrespective of his/her seniority. If overtime is scheduled for special project work, the employees assigned to the project will be scheduled to work the overtime. Special project work is work assigned within the shift that has not been completed during the shift, so long as the work does not continue indefinitely on a regular daily basis.
- B. Otherwise, the opportunity to work overtime shall be offered according to seniority to those employees in the school or building in the classification where the work is required, and who have the ability to do the work, with the qualified employee with the longest seniority being given the first opportunity. Overtime shall be offered on an equitable basis as is reasonably practicable. Overtime opportunities shall rotate among qualified employees within a school or building and within the classification in inverse order of seniority. Qualified employees within a school or building and within the classification who decline such work when offered on a voluntary basis will have such hours treated as if they had been worked for equalization of overtime purposes and shall be moved to the bottom of the overtime list for future voluntary overtime assignments within the school or building within the classification. In the event that no qualified employee assigned to the same school or building volunteers to work an open shift it shall then be offered on a voluntary basis to all qualified employees within the classification.
- C. In the event there are insufficient qualified volunteers to perform the available overtime work after the opportunity has been offered pursuant to paragraph B. above, the Board shall have the right to assign the work to qualified employees in the school or building where the work is to be performed in reverse order of seniority and the Employees so assigned shall do the work. This obligation shall rotate among qualified employees in inverse order of seniority.
- D. Notwithstanding anything to the contrary herein, employees move to the bottom of the overtime on-call list on days they did not work.
- E. In the event the Superintendent or his/her designee wants to supplement qualified employees from within the building with qualified employees from other buildings, he/she must do so in accordance with the guidelines set forth in B. and C. above.

ARTICLE NINE
GROUP INSURANCE PROGRAM

Section 9.01 – General

The Board shall make the following health, medical, life and disability coverage available to each eligible employee.

Section 9.02 - Health Coverage

A. Coverage.

1. All employees who are covered in the group health insurance provided by the Board immediately prior to the execution of this Agreement and who are full-time employees for the purpose of the provision of employer sponsored healthcare coverage under federal law shall be eligible for health insurance coverage. The Board will provide the Union with a list of employees who are covered in the group health plan provided by the Board immediately prior to the execution of this Agreement.

If, after the execution of this Agreement, a full-time employee for the purpose of the provision of employer sponsored healthcare coverage under federal law who was not covered in the group health plan provided by the Board immediately prior to the execution of this Agreement opts to be covered in the coverage made available by the Board, such employee will be eligible for the Teamsters Indemnity Plan and the terms of the Agreement in regard to the Teamsters Indemnity Plan will apply to such employee.

2. The Board has provided group hospital, medical and prescription drug insurance coverage to bargaining unit employees and their eligible dependents under a plan that applies to the majority of the Board employees, including a High Deductible Health Plan (HDHP/HSA) option. Employees pay a 15% premium cost share.
3. Teamsters Indemnity Plan. Because the Union has demonstrated that its health insurance plan, the Teamsters Indemnity Plan, will cost less than the Board's health insurance plan described in Section 2 above, commencing upon the execution of this Agreement, the Board agrees to make payments to the Teamsters Local 443 Health Services & Insurance Plan, ("Teamsters 443 HSIP") 200 Wallace Street, New Haven, CT 06511 for each and every employee covered by the collective bargaining agreement referred to in Paragraph 1, above, to receive health coverage as follows:

Commencing upon full ratification of this Agreement, the Board shall contribute to the Teamsters 443 Health Services & Insurance Plan (for the Teamsters Indemnity Plan) the sum of \$10.00 per hour for each hour figured to the nearest quarter hour for which an eligible employee receives pay up to a maximum of forty (40) hours but not more than four hundred dollars and zero cents (\$400.00) per week for any one employee.

Commencing upon July 1, 2023, the Board shall contribute to the Teamsters 443 Health Services & Insurance Plan (for the Teamsters Indemnity Plan) the sum of \$10.25 per hour for each hour figured to the nearest quarter hour for which an eligible employee receives pay up to a maximum of forty (40) hours but not more than four hundred and ten dollars and zero cents (\$410.00) per week for any one employee.

Commencing upon July 1, 2024, the Board shall contribute to the Teamsters 443 Health Services & Insurance Plan (for the Teamsters Indemnity Plan) the sum of \$10.50 per hour for each hour figured to the nearest quarter hour for which an eligible employee receives pay up to a maximum of forty (40) hours but not more than four hundred and twenty dollars and zero cents (\$420.00) per week for any one employee.

Commencing upon July 1, 2025, the Board shall contribute to the Teamsters 443 Health Services & Insurance Plan (for the Teamsters Indemnity Plan) the sum of \$10.50 per hour for each hour figured to the nearest quarter hour for which an eligible employee receives pay up to a maximum of forty (40) hours but not more than four hundred and twenty dollars and zero cents (\$420.00) per week for any one employee.

For the purpose of this article, each hour or any portion thereof, figured to the nearest quarter hour paid for work in employment covered by this Agreement, paid vacation, paid holidays or other hours for which pay is received by the employee shall be counted as hours for which contributions are payable to the Plan. In addition, the term "hours paid" shall include time that is compensated during the week in which the time is worked or other paid leave is taken (vacation, holiday, personal or sick leave). The Board will not pay vacation, sick, personal or holiday pay in advance or in arrears of the week in which such leave is taken.

If an employee is absent because of an illness or an off-the-job injury and notifies the Board of such absence, the Board shall continue to make contributions to the Plan of 40 hours per week until twelve weeks after all sick leave has been used up. Thereafter, the Board's required contribution shall be 32 hours. Such contributions shall not be paid for more than twelve (12) months.

If an employee is injured on the job, the Board will continue to make the required contributions until the employee returns to work; however, such contributions of 40 hours per week shall not be paid for a period of more than twelve (12) months.

All contributions shall be made at such time and in such manner as the Trustees require, and the Trustees shall have the authority to have an Independent Certified Public Accountant audit the payroll and wage records of the Board for the purpose of determining the accuracy of contributions to the Teamsters 443 HSIP (for the Teamsters Indemnity Plan). Likewise, the Trustees shall, upon request from the Superintendent of Schools or designee, provide the Board with access to up-to-date information regarding the financial status of the Trust and the Teamsters Indemnity Plan. If the Board fails to make contributions to the Teamsters 443 HSIP (for the Teamsters Indemnity Plan) within 72

hours after the notice of delinquency has been sent to the Board in writing, the Union shall take whatever steps are necessary to secure compliance with this Article, any provisions of this Agreement to the contrary notwithstanding, and the Board shall be liable for all costs for collecting the payments due together with attorney's fees and such penalties which may be assessed by the Trustees. The Board's liability for payment hereunder shall not be subject to the grievance procedure or arbitration provided under this Agreement.

The Board agrees to execute a copy of the Agreement & Declaration of Trust of Teamsters Local 443 HSIP. The Board and Union which are signatories hereto ratify the designation of the Board of Trustees under such Agreement and ratify all action already taken, or to be taken by such Trustees with the scope of their authority.

4. If the total cost of the Teamsters Indemnity Plan offered under this Article triggers an excise tax under Internal Revenue Code Section 49801, including any successor thereto, or any other local, state or federal statute or regulation, the Employer shall have the right to promptly substitute a plan or plans that avoid the imposition of the tax. If the Union is not satisfied with the substitute plan or plans after implementation, it shall have the right to reopen the Agreement for the sole purpose of negotiating some other plan or plans with a total combined cost that falls below the excise tax thresholds. Any impasse in bargaining with respect to the substitute plan or plans shall be subject to binding arbitration.
- B. The Board shall continue to maintain a "Section 125" Salary Reduction Agreement for the purpose of enabling eligible employees to divert at their option a portion of their gross salaries, prior to reduction for federal income or social security taxes, by a minimum of \$250 to a maximum of \$1,000 per Plan Year for Health Reimbursement, and by a minimum of \$250 to a maximum of \$5,000 per Plan Year for Dependent Care, into an account from which, during the course of the Plan Year, they can be reimbursed for Health Care costs and Dependent Care costs they or their covered dependents incur that are not covered by the Health Insurance Plans described in the Agreement between the Board and the Union, including, but not limited to, their share of the premium costs for such Plans. The Board makes no representations or guarantees as to the initial or continued viability of such a Salary Reduction Agreement, and shall incur no obligation to engage in any form of impact bargaining in the event that a change in law reduces or eliminates the tax exempt status of employee insurance premium contributions. So long as the Board makes a good faith effort to comply with this paragraph, neither the Union nor any employee covered by this Agreement shall make any claim or demand, nor maintain any action against the Board or any of its members or agents for taxes, penalties, interest or other cost or loss arising from a flaw or defect in the Salary Reduction Agreement, or from a change in law which may reduce or eliminate the employee tax benefits to be derived therefrom. This waiver on the part of the Union shall not extend to acts which may be committed by the Board or its agent(s) other than acts in furtherance of the I.R.C. Section 125 plan.
- C. The Board will provide the health insurance benefits as described in Section (A)(2) of this Agreement through a properly licensed insurance company in the State of Connecticut, or through an alternative self-insured arrangement. If benefits are self-insured by the Board,

employees shall have all claims adjudicated in conformance with applicable confidentiality standards, along with the same rights of appeal as if the benefits were insured. In no event, the coverages and benefits provided through an alternative insurance carrier, managed care vendor, either self-insured or self-administered, will be less than the benefits and coverages as set forth in this bargaining agreement. The size and scope of a preferred provider network of physicians, hospitals, pharmacies, etc. shall not be a factor in determining the duplication of benefits by an insurance carrier or managed care vendor. It is agreed that an alternative insurance carrier or managed care vendor can be selected by the Board of Education provided that the new insurance carrier or managed care vendor network includes 70% of the hospitals and physicians in Litchfield and Fairfield Counties of the current preferred provider network of hospitals and physicians. The Board retains the sole and exclusive right to select and/or change insurance carriers or managed care vendors. The Board shall review any proposed changes with the Union prior to implementation.

Section 9.05 - Eligibility

1. a personal injury or illness which prevents the employee from working as scheduled, or requires the employee to leave work prior to the completion of his/her shift.
 2. an appointment with a doctor, which cannot be scheduled during hours other than the employee's regular shift.
 3. as a supplement to Worker's Compensation pay, the employee may use a prorated portion of accrued sick leave, so that the combination of Worker's Compensation payment and supplemental sick leave equals his regular rate of pay. Employees may use full sick leave until Worker's Compensation payments commence, provided they agree in writing to sign over such payments to the Board, at which time the appropriate portion of their sick leave shall be restored to their sick leave account.
- B. Each employee will earn sick day credits at the rate of 1.25 days for each full month worked up to a maximum of fifteen (15) sick days in any employment year. Unused sick days may be accumulated from employment year to employment year up to a maximum of one hundred forty-one (141) days, which shall be the maximum available to any employee at any one time.

- C. Sick days will be applied to pregnancy related medical disabilities of the employee in the same manner as to other medical disabilities.
- D. As with any absence, the Board reserves the right to verify the legitimacy of any absence for which a sick day is requested, including, but not limited to, requiring the employee to provide the Superintendent or his/her designee with a doctor's certificate in any instance of two or more consecutive days of absence, or a case where the employee has a demonstrated a pattern of numerous or questionable absences.

Any portion of the expense for said examination that is not covered by the employee's health insurance shall be paid by the Board.

If any illness or injury results in a disability that has prevented the employee from performing the essential duties of his position for a period of twelve (12) months or longer, the Board shall have the right to retire or discharge the employee. If, within the twelve (12) months following the employee's termination date, a vacancy occurs in his original position and he applies for the position and can demonstrate by undisputed medical evidence that he can perform the essential duties of the position, the Board shall offer to rehire the employee. After twelve (12) months from the employee's date of termination, the former employee will no longer have any preferential standing for reappointment to the position.

For the purpose of this Section, date of disability is the first day the employee was unable to report to work due to the disabling illness or injury.

- B. "Grievant" is hereby defined as the Employee, group of employees, or the Union filing a Grievance.
- C. "Days" is hereby defined to mean a normal workday for employees.

Section 12.02 - Time Limits

- A. Time limits hereinafter set forth for processing a grievance from one level to another must be strictly adhered to and may be extended only by agreement between the Union and the administrator involved at that level.
- B. Any grievance which is not present or processed by the grievant in strict compliance with the time limits set forth herein will become null and void and will be deemed resolved in accordance with the position of the administrator involved at the level preceding the level

where the default in submitting the grievance occurred. If a grievance situation continues or reoccurs, such continuation or reoccurrence shall not extend the initial time for filing a grievance and shall not be considered as a separate grievance. If any response to a grievance is not given by the Board within the time limits set forth herein for such response, the Grievant will have the option to proceed to the next level without waiting for such response.

Section 12.03 - Procedure

The following procedures shall be followed exclusively in the processing of a grievance:

- A. **Step 1.** The grievant(s) shall within seven (7) days following the events giving rise to the grievance, present the grievance in writing to the Steward and to the Board specifying the nature of the grievance and the Section of the Agreement he/she claims to be violated. If a satisfactory adjustment is not effected with a representative of the Board within seven (7) days, the Steward and employee may submit the same written grievance to the Union's business representative.
- B. **Step 2.** Within seven (7) days thereafter, the business representative may take the matter up with the Superintendent or his/her designee with authority to act on such grievances. Within ten (10) days after the conclusion of said meeting the Superintendent or designee shall respond to the grievance in writing and transmit said response to the grievant and business representative. In the event that the business representative is of the opinion that an employee's grievance is without merit, the Local Union shall not be required to process the matter. In such cases, the business representative shall so inform the grievant and the Board. There shall be no liability imposed thereby upon the Union or the Board.
- C. **Step 3.** If Steps 1 and 2 hereof have been complied with and a settlement has not been effected, only the Board or the Union may process the grievance to arbitration by submitting it to the American Arbitration Association for arbitration within twenty (20) days of the response from the Superintendent or his/her designee at Step 2. All of the following terms and conditions must be met in order to perfect the right to arbitration:

 2. The submission to arbitration must be made in writing by certified mail, postage prepaid, or by fax, with a copy to the Superintendent, postmarked within the ten (10) days immediately following the receipt by the grievant of the Level Two response or the expiration of the time period within which the Board is required to respond at Level Two, whichever is sooner.

3. The grievance submitted to arbitration must be the same grievance that was submitted to the Board at Level One.
4. The selection of the arbitrator and the procedure for conducting the arbitration process shall be in accordance with the rules and regulation of the American Arbitration Association. The decision of the arbitrator will be final and binding. The arbitrator's authority will be limited to determining whether, by the allegations contained in the grievance, the Board has violated or misapplied any specific and explicit provision of this Agreement. The arbitrator will not have any authority or power to add to, delete from or modify in any way any provision of this Agreement.
5. The cost of the arbitrator's service will be divided equally between the Board and the Union.

Absent a medical condition, as determined by a licensed physician, the employee's failure to provide an adequate amount of breath will be regarded as a refusal to take the test. If the employee is unable to produce an adequate urine specimen, he/she shall be given up to 40 ounces of fluids to drink and shall remain at the collection site under observation until able to produce an adequate specimen, for a period of up to three (3) hours. Reasonable suspicion for alcohol or drug misuse will be based on specific contemporaneous articulable observations concerning the appearance, behavior, speech, or body odors of the employee. The observations may include the indication of chronic and withdrawal effects of controlled substances. The supervisor(s) must make a written statement of these observations within twenty-four (24) hours. The observations must be confirmed by another person.
