January 7, 2026

Dear New Milford Board of Education Members,

Contained within these pages is the 2026-27 Superintendent's Proposed Budget, an important milestone in the budget process. As you know, the Superintendent's Proposed Budget contains our projections for the day-to-day operations of the school district, along with modifications to general fund lines to support student and organizational needs.

Our goals anchor our work, and they serve as necessary guides during budget decision-making. Our current Board of Education goals are:

→ **Student Achievement:**

Increase student achievement through high quality curriculum, purposeful instruction, meaningful assessment and programming, emphasizing the growth of persistence and a strong work ethic for every learner.

→ **Family and Community Engagement:**

Increase families' engagement in their children's learning through consistent communication and the development of trusting relationships; increase community partnerships through ongoing outreach and opportunities.

→ **Budget Development and Fiscal Management:**

Practice fiscally responsible, transparent budget development and ongoing fiscal management that addresses district priorities and maximizes available resources.

→ **District and School Environment:**

Promote safe school environments that are physically, socially, and emotionally conducive to teaching and learning.

→ **District Workforce:**

Hire, develop, and retain passionate and exceptional staff who will contribute to a collaborative, caring, and innovative culture, defined by continuous improvement.

As always, the budget presents a delicate balancing act of maintaining momentum, addressing ongoing needs, and insisting upon our obligation to fiscal responsibility. I am certain that you will see reflected in these pages our team's diligent efforts to uphold our ideals, use the goals and indicators as guides, and land in a responsible place in the name of district progress.

**Fixed Costs**

This section of the introductory letter lists fixed costs, which are budgetary items that are **contractually and/or operationally required** to move forward into 2026-27. Please see the table below:

## 2026-2027 Superintendent's Proposed Budget

Required Item for 2026-27	\$ Increase	% Increase
Contractual Salary Increases for All Bargaining Units	\$1,871,548	2.45%
Contractual Health Benefit Increases for All Bargaining Units	\$1,361,548	1.78%
Transportation - Bus Contract Increase	\$194,723	0.26%
Utility & Refuse/Recycling Increases	\$75,089	0.10%
Other Insurance (Life, Disability, Workers Comp, Cyber, Liability for Auto/Property, Student Accident)	\$68,616	0.09%
<b>Total Increase of Fixed Costs</b>	<b>\$3,571,524</b>	<b>4.68%</b>

You will see below that the Superintendent's Proposed Budget increase of 3.20% is less than the 4.68% increase that we need for fixed costs for 2026-27. Our budget presentations over the next two weeks will demonstrate how we arrived at the 2026-27 proposed increase, considering the needs of the district, district enrollment, and programming considerations.

### Summary

The chart below shows the Superintendent's proposed percentage increases for the past four years, along with the Board of Education adopted percentages and Board of Finance adopted percentages for 2023-23, 2023-24, 2024-25, and 2025-26.

### 5 Year Capital Plan Expenses

The Athletic and Band/Music departments at NMHS now maintain a separate 5-year capital plan for replacement cycle items such as equipment and uniforms. There are zero (\$0) dollars in this Operating Budget request that are tied to the Board of Education's 5-year capital plan. A revised 5-year capital plan will be presented for approval in the Spring. Funding of that plan can be initiated on a project by project basis or as a whole by the Board of Education utilizing the Capital Reserve account. An updated balance of the Board of Education's Capital Reserve account will be available after the Final Audit presentation to the Town of New Milford at the end of January each year.

### Overview

---

Litchfield Hills Transition Center is the transition program for young adult students with disabilities ages 18-22. The Center provides developmental programs in the areas of employability skills, community access to skills, and functional living skills. This program's salaries are found in this budget. LHTC is often a cost savings program which provides programming for our students without the tuition costs associated when placing our students in out-of-district transition programs.

## TRANSPORTATION FOR SPECIAL EDUCATION

### Overview

This Department's budget covers both the Private and Public Transportation associated with out of district placements. A recommendation for out-of-district placements by a planning and placement team (PPT) may be made when students' needs are beyond what the local district can meet. The intent of this kind of placement is to provide students with the specialized instruction required for return to their local school. A 0.5 FTE in the Secretary Bargaining Unit is budgeted for within Department of General Administration (DOGA) under Fiscal Services to assist with placements and billing associated with this type of transportation.

## HEALTH INSURANCE

---

The amount used to budget for this line item is provided to the Board of Education by Brown & Brown, who is the Risk Management Consultant that the Town and Board of Education use jointly. There are several types of health insurance items that are budgeted for within this line:

- **State Partnership Plan (SPP)** - Health Insurance that both the Town and Board of Education moved its employees (except Teamsters) to on July 1 of 2019. Partnership costs are based on premium and enrollment through December of 2025. Premiums for next year as per Brown & Brown anticipate an increase of 13.5% as of early December 2025 with rate finalization not taking place until March 2026. At this time, both the BOE and the Town are currently using a projected 13.0% increase for these costs in order to budget for the 26/27 Fiscal Year.
- **Dental Insurance** - partially self-insured through CIGNA and partially on SPP for the first time in 26/27. Dental claims are based on claims and enrollment plus the projected trend as per Brown & Brown.
- **Humana Vision Plan** - Vision premiums are based on current rates and enrollment as of December 2025 plus the projected trend as per Brown & Brown.
- **Health Insurance to the Teamsters Union** - This is contractual based on their bargaining unit labor contract as these employees are not on SPP. The funding for this covers their members based on the hourly rate per contract, assuming 40 hours worked per week for each staff member covered.
- **New employee Assistance Program SupportLinc** - started in August of 2025.

### Internal Service Fund (ISF)

**Note:** The line item for Health Insurance **DOES NOT INCLUDE** relief from the Internal Service Fund (ISF) managed by the Town of New Milford as per the Town Finance Director. Prior years Superintendent's and/or Board Adopted Budget's sometimes had an offsetting contribution amount coming from the ISF. - **EXCESS COST** - Adjusted to account for both the current placements continuing into next year plus any anticipated new placements within Special Education, at an expected 68% reimbursement rate which is the same rate used for the current year.
- **MEDICAID** - Adjusted based on the prior three year average of ending line balance.
- **BUILDING USE** - Flat over the prior year as utilization is down.
- **EXCEL TUITION** - Flat based on actuals received in prior years along with an increase in the number of participants qualifying for reduced rates as well as the legislative impact.
- **SPED TUITION (LHTC)** - Flat from prior year. Too risky to budget any increase and rely on new participation that would drive this revenue in any given year. If we have a tuition-in student for LHTC we will bill and collect for the base tuition and any special services.
- **DCF PLACED TUITION** - Zero (\$0) as the yearly expectation. No collection in 24/25 or in current year to date. Too risky to budget and rely on this revenue in any given year. If we can bill and collect, we will.
- **GATE RECEIPTS** - Flat from prior year even though participation is picking up. Budget was last adjusted (down) several years ago to coincide with admission rule changes that were approved by the Board of Education.
- **PARKING PERMIT FEES** - The same 278 spots at the same rate of \$75 each as in the current year budget. Budget was last adjusted in the current year to coincide with new rate of \$75 each that was approved by the Board of Education during the 25/26 budget adoption.
